

 w Hi, ① I direct the employee volunteer program for Watsonville Manufacturing. ② I'm calling about Saturday's beach cleanup that you're organizing.

 M Oh yes, ③ we're looking forward to your employees' participation. It will really help our efforts to protect our beaches.

 w ④ I wanted to let you know about one small change, though. ⑤ Originally we had ten staff registered to participate, but now there'll be only eight.

 M OK, I appreciate the update. And while I have you on the phone, ⑥ let me remind you that your colleagues should bring work gloves on Saturday. We don't have enough to provide them for each volunteer.
